My Dear Mr. Mahon

Our Friend Taylor has this morning written to me, with the offer of a seat, through the kindness & condescension of his Royal Highness, the

Prince Regent. -

Pray have the goodness to lay my most humble duty at the feet of his Royal Highness, with my most grateful thanks for this, as well as for every other mark of kindness; he has uniformly condescended to shew me; but at present, I have no intention of coming into public life. -

With my best wishes for the Health,
Happiness, & Prosperity, of his Royal Highness
as well as your own; believe me

My dear Friend
Yours ever, most sincerely

Wm Dewison
