A.A. No. 163

private & most confidential

My Dear Sir

will you have the goodness to  
make known to Mr. H. that Holmes (to my  
very great astonishment) has embraced  
the Marquis's well-known politics &  
returns two of his friends for Yarmouth  
and himself of Minster for Newport - as I  
have no objection in parliament but the  
point I of course am out of the  
question in this arrangement - if  
Mr. H. consider that I can be useful  
I do not mind an expense not exceeding  
3000 £ & if any such arrangement  
can take place I will come up imme-  
diately

Sadwell's son is a great crony of  
Holmes and will suppose be one of the  
Yarmouth Members - but knowing Holmes  
as well as I do the whole is unintelligible  
to me - will you favor me with an

trust and believe me to be

Dear Sir

Yours most faithfully
