My Dear Sir

My Submission to the Prince
Regents will most ever be my
Duty - the marks of His Goodness
will ever be remembered with
Gratitude by me - On my arrival
in Dublin I waited on the above
Lieutenant, and I feel happy
to inform You, I have returned
S^r James Stewart & Gen^l Hart
for the County of Donegal
two Members You may depend
upon - I have started Col^l
Fitzgerald for Clare -

The very kind interest You took
 when last I had the pleasure of
 seeing You in London with
 regard to my Wishes, & Your
 most kind promise of laying
 those wishes before His Royal
 Highness will I hope plead my
 Apology for informing You
 that the Duke of Richmond
 has recommended me in the
 event of a Promotion - to a
 Marquisate - or an English Peerage.

but every thing depends on the
Prince - His orders will be obey'd
May I therefore again entreat
of You to lay my Name before
Him - for the Marquinte ~~of~~ or
English Service - Whenever His
Royal Highness may think
fit -

I almost flatter myself
with Your Pardon for this
Bore - and in return I beg leave
to Enclose a most curious
Epistle from an Old friend

Yours - A Man most useful
in this Country - Pray keep
the Letter till we meet as I
purpose going to England next
Week.

Yours ever
My dear Sir
Most Faithfully and
Sincerely Obedient
