

Ld. Harrington to H. R. G.

20212

London November 21st 1812.

Sir

The L^t Government of Windsor being vacant,
I most humbly presume to recommend to Your Royal Highness's
favour my Son L^t Colonel Stanhope of the 17th Light Dragoons, whom
if Your Royal Highness shall be graciously pleased to name to that
situation, it will highly add to the many obligations already conferred
on my family, tho' it can not increase our gratitude & attachment.

I should not have ventured to address myself to your Royal
Highness by letter, had I not been informed that that from the
periodical issue of Salary to the above office, it was of some

moment, that your Royal Highness's pleasure on the subject should
be taken as early as could be done with propriety.

I am,
with highest respect,

Sir,

Your Royal Highness's most
dutiful, and most humble

Servant

Harrington
