My Dear Colonel

Agreeable to your
kind commands I send
you the name & profes-
sional Rank of my
Son - viz - The
Rev. John Webster - A. B.
The description of the

Bishop of Limerick
27. Nov. 1812

20220

Preferment in Diocese
of Limerick in the Prebend
of Kilscoheen.

The Bishop's address is
at the Palace - Limerick.

The other little Branch
of S^r R. Dudley's, Irish
Preferment is called the
Vicarage of Killybegs, in
the Archdiocese of Tuam's
Diocese —

His grace is expected in
Limerick immediately —

This best I do not pre-
sume to solicit, but it
ought not to be lost to
H. R. Highness, and
therefore (before Dudley
takes institution, a
similar expression of
the Prince's desire
sh^d be made to the
Archbishop of Tuam —

between us, the Service
means nothing to that
Quarter, and I know
there is no time to be lost
in securing the object -

I should A. R. H. have no
other immediate object, &
that his father thinks
proper to direct Mr. Dingley,
Irish preferment to be con-
ferred upon my son, my
petition, I trust, will
at all times be commensurate

to the Bounty of my
Benefactor, & feel
happy in any future
opportunity that Providence
may afford me of
attending to R. O.
Highness's Wishes.

Accept, my Dear Sir,
the sincerest acknowledgments
of your truly obliged
& obed. Servant
Chas. Sumner
