I am commanded by H. R. H. the Prince Regent  
to request your Lordship will be pleased to direct that  
the road through Windsor Great Park from Bishopscote  
Gate to Sandpit Gate which now passes between  
Cumberland Lodge and the Cottage fitting up as a  
temporary residence for H. R. H. destroying the  
privacy of both be ~~diverted~~ <sup>diverted</sup> and carried to the North  
of the Cottage <sup>as shown by the dotted line on the enclosed plan</sup> under the Hill, by which means  
neither the Lodge or Cottage will be overlooked - the road  
will be out of sight - more level and the distance  
shortened - it will ~~also~~ <sup>also</sup> be necessary that ~~and~~ <sup>directions</sup>  
~~also~~ <sup>also</sup> be given to plant the spots colourd green in order to  
give propriety to the deviation of the road and to separate  
its junction with that leading to Windsor -
