

Col. A. Torrens
to

The Earl of Harrington

3^d Nov. 1813

Life Guards

3^d November 1813

My Lord,

In transmitting to your Lordship the
enclosed copy of a communication from the Judge
Advocate General, containing a copy of the charges and
decision of a general Court Martial held at Logrono
in September last, for the Trial of Lieut. & Adjutant Ben-
jamin of the First Life Guards, I am commended by the
Commander in Chief to acquaint you, that as a
similar case of animadversion ^{upon an Officer of the Line} from a Court Martial,
as to the object and motives of a Prosecutor would
induce His Royal Highness to submit to the Prime

General
Richard Harrington

Request

Regret, his removal from the Service; it may probably
occur to your Lordship, that it would be expedient to
take the pleasure of the Sovereign upon the removal
of Lieut. Kelly from the Life Guards. -

Sheweth Honour to be,

My Lord,

Your Lordship's

Most obedient

Humble Servant
