My Dear Payne.

I have summoned Withers to receive Judgement on Saturday or the day after tomorrow.

If He comes He will of course receive it on that day - If He does not I shall direct him to be arrested & brought up in custody.

I hope for the Honour of the Court a proper Judgement will be pronounced on him, You may trust me for not sparing him.

I shall certainly propose a  
Pulpit for the Parson where  
It may be one of a large  
Congregation.
