My dear Sir

As I understand that The Prince
Regent expressed a wish last Night to have
"Bombards, Furios" performed on Monday next,
I have given directions accordingly - If you
should have an opportunity, May I beg the
Favour of you to assure his Royal Highness
that to obey his Royal Highness' Commands
is ever our Pride & Pleasure as it is
our most respectful Duty

I sincerely hope that your Health
has not suffered by the late rigorous Weather

And remain

Dear Sir

Yrs much obliged
W. Harris
