Reductionnaire at Sea  
Jan. 21. 1814.

My Dear General

Will you do me the kindness  
to read the Subjoined and if you see no  
objection to its contents to take an oppor-  
tunity of delivering it whenever His Lord-  
ship may chance to fall in your way, as  
I think he may feel disposed to state  
:rest himself in support of my Claim.

By leaving it open I wish that His  
Lordship might understand that you see  
nothing in it but what is reasonable  
but should that be the case I have only  
to beg of you to put it in the fire & to  
take no further notice of it.

Wish me so far well at this we have  
had nothing but blowing Weather since we  
got out of the Channel. - I hope in a  
Day  
Yours  
Wm. Col. M. Graham

...  
...  
a two to see Madeira from whence I reckon  
upon forwarding this. - Should a Warrant  
be granted at the Treasury in Compliance  
with my Memorial, I shall instruct my  
Agents Greenwood & Co. to receive the Amount  
to whom I have written on the Subject.

I beg my kindest respects & assurances  
to Mr. M. and to inform her that I shall not  
forget to write to your Father as Capt. Rogers  
is gone as I arrive at Madeira and have a  
little time to become acquainted with the  
nature of my Situation & the means it affords me  
of serving him. - My best Regards also to  
my good friends Mansfield and Ferguson  
and believe me ever most truly

My Dear Cousin

Your faithful & obliged  
Friend  
H. Wilson
