Sir

Knowing that you cannot at present have time to read apologies - I most respectfully wave entering into any for this perhaps unwarrantable intrusion - When I had the distinguished honour to paint the portrait in miniature of his Royal Highness The Prince Regent in Aug^t 1807 - for which he condescended to sit seven times, one day for three hours - he was pleased to say that it was thought the best likeness that had ever been painted of him - as it is probable that his Royal Highness will have occasion to present his portrait in miniature to many of the distinguished characters now in this country - I take the liberty to intrude upon your patience to offer my humble & dutiful services in making copies of the same - should you condescend to recommend me for this honour it will ever be most gratefully acknowledged by - Sir

your most obedient

& respectfully humble servant
