

Ld. Castlereagh to H.R.H.

A.A. No. 467

21485-6

[19 July 1814]

P. Rivers's L^y
Tuesday Night

Lord Castlereagh has the honor to acquaint
your Royal Highness that the Principle of
Wales's Land Tax Bill has just been brought
to the Committee, after some debate Lord C.
thought it right to agree that the £35,000
should be kept independent of Property
Tax - nothing was said on the Principle
Charlotte's Subject -

Lord Eborac's Motion was
withdrawn - The Attorney & Solicitor
General made two more proposals

speaks in support of the Conviction
 and Sentence, and carried the House
 completely with them - The remission
 of the Penalty to all upon the ground
 of this being the first offence of the
 kind will sustain the Court of Kings
 Bench, & satisfy the Publick opinion
 to see this part of the Sentence upheld
 that it leaves Lord Cochrane's
 guilt, as it ought to be, upon a level
 with the others
