Stable yard. July 8th 1815.

My dear Sir.

The enclosed recommendation of Officers
of the 3^d Life Guards for promotion, I beg the favour of you
to lay before the Prince Regent.

In ^a conversation I had the honor to have with His Royal
Highness yesterday, He was pleased to enquire concerning the
safety of a Quarter Master Banks of my Regiment, who had
been reported to me to have fallen; I have now ascertained that
He was the only one of ^{the Quarter Masters} ~~the Quarter Masters~~ who was not touched,
& I take the liberty to enclose the list of Officers & Masters who
suffered in the two actions in which the Regiment was engaged
in case His Royal Highness should wish for ^{such} further information.

I am with greatest truth & regard,

My dear Sir,
your most faithful and most
obedient Servant,
Harrington
