My dear Sir

I am concerned to find that the Relapse under which His Royal Highness was suffering when I left Brighton had continued - But I will hope that the appearance of the Gout again at the Foot will speedily lead to His Royal Highness's Convalescence -

I send you the Minutes of the House of Lords of last Night -

I hope The Prince will be satisfied with the Division - It was as

Believe me
Sir Benjamin Bloomfield

good as we had any reason to
expect. The only Peer who
voted against us, of those who
have been in the habit for the
last two or three Sessions of
supporting, was Lord Langton.

I have received this morning
a favourable Report of Camelford
House. I do not yet however
know the terms - but I should
be glad if you would speak to
The Prince of Saxe Cobourg about
it - and I see no objection to
his naming it to The Prince.

It would be a satisfaction
to me to know that they did
not disapprove of it before I
was called upon to give a
definitive answer as to the
purchase.

I am with great faith

My dear Sir

Yours very faithfully
