My dear Sir Benjamin

I beg the favor of you  
to present my humble respects to  
the King, requesting that his  
Majesty will be graciously pleased  
to grant me an Audience, in  
order that I may have an  
opportunity of presenting the  
Bey of Office which I have long  
had the honor of holding, & I  
trust you will also have the  
goodness to express the dutiful

and sincere attachment, I shall  
ever feel to his Majesty's person.

I remain, dear Sir,

Your faithful,

Humble Servant  
Ingram Heriot
