

H. K. to h. North

Jan. 1 1726

2323

Lord North, It is very displeasing to Me to have You  
troubled with the smallest complaint, I therefore very  
strongly recommend You keeping as quiet as possible  
for a couple of days and I trust to see You well on  
Wednesday when I will certainly return You.  
M. J. Rawe's papers.
