Dec. 10 1776

2486

Lord George Germain has the honor to
send your Majesty Sr Jay Carleton's letter
by which your Majesty perceives he
has abandoned Com. Genl. Burgoyne
and strongly in opposition against that
measure. Lord George is glad your
Majesty will permit ^{him} to make his
report of what pass'd between him and
General Burgoyne before your Majesty
honors him with an Audience.
