

Lord North
January 9. 1778.

(The Enclosure)

2738

2721

Lord North has the honour of
returning a letter he has received
from Lord Pembroke, who probably
has been misinformed, but Lord North
thought it right nevertheless to
send his Lordship's letter to his
Majesty

Downing Street Jan. 9. 1778.

[Faint, illegible handwritten text, likely bleed-through from the reverse side of the page.]
