

A. H. to Lord North

Jan. 16 1778

2758

Lord North, I return the Paper received from  
Mr. Wentworth, You look on me and I believe  
with some truth as not very much trusting to any of  
the Resonants that come from Bancrest. He certainly  
is a stock jobber and is not friendly to England, and  
perhaps the conveyer is not less a dabbler in that  
Commodity as Dubois all wish he thought  
active and Men of his Cast are often credulous.
