

Mr Burns presents his respects
to Mr Harper and would gladly
have waited upon him on his
return to Town, but he was
under the necessity of returning
into the country
If there should be any communica-
tion on the subject of the
Map of Lancaster Mr B will
feel much obliged if Mr Harper
will have the kindness to inform
him either thro' a friend who will
call or by a note put into the
post office directed to Mr B at Lancaster
