Lord North has the honour
of sending some Warrants for his
Majesty's signature if approved,
& two Pamphlets. The largest
at the desire of Mr. Eden, who
brought it with him to England.
It is the Trial of Mr. Lee, & as
Lord behives, the only copy in the
Kingdom. The smaller, at the

desire of Mr Andrew Hoar, who
wished that his brother the Colonel's
case might be submitted to his
Majesty.
