Dear Sir
Cuthby Office
Friday morning

I will call upon you
again to night, as it is
desirable that I should
see you, before I leave
Town, which will be
to morrow morning.

Be so good as to
get a rec^t. from
M^r. Meyer, - in full of
all Demands; - This

must be attached to the
 Bill, - which you must
 have the kindness to
 get done to day, that
 I may have it to night,
 for the purpose of
 transmitting to the
 Duke, - who will send
 it to this officer in
 Ireland - Be so

good also to have
 a duplicate kept to
 keep in the office - as
 our number. - The
 memorial I have
 not yet seen and
 better be put by
 with it - always

Your sincere Friend
 W. Wrighton
