My Dear Sir

The Duke of Buckingham has
sent me the enclosed
from Owen - would
you be so good as
to see Mr. Harrable &
say, that it is incorre-
rect that no answer
has been received
from him on the
subject of this China
which Lord Ashburton
desires to purchase

That if Lord S. does
 not take it - the Lord
 Steward must pay
 this Bill, as I hold
 it not fair that his
 Majesty should pay
 this out of his private
 Purse; - We have
 no wish or desire
 to possess such China.
 The Lord Steward

would to have receiv'd.
 revised this originally.
 The ornaments
 China is paid for.
 Will you have the
 great kindness to
 send a messenger
 with the enclosed.
 Be pleased to get
 Mr. Murrill to
 exert himself on

The number of the China.
Many happy returns
of the approaching
Season, to you &
Yours.

Respectfully your
friend

W. Wrighton
