 My dear Mr. Coleman,

It has not been in my power to
 acknowledge under the receipt of your letter of the 16th
 Inst, enclosing the account from Mr. Bishop for organ
 work at the Chapel Royal & London, which I ~~return~~
 have submitted to the King. —

His Majesty appears of it being
 kind by the late King's Executors & forming a
 supplementary article on this account, though he continues
 that for your satisfaction, Sir Andrew Brouncker
 might be desired to certify that the work was
 executed under his late Majesty's Order conveyed
 thus

through him. - The King has recently authorized
Repairs & Improvements to the Organ in St George's
Chapel to the amount of £210, also recommended by
Sir Andrew Burnard.

I return Sir Bishop's Bill &
