

Ld. G. Germain

3437

Lord George Germain has the honor of sending  
your Majesty the dispatches from Sir Henry  
Clinton, Captain Fraser who brought them  
makes no doubt of Major General Precocks  
being in possession of Charles Goussier, that he  
with which account had arrived at New  
York of that event when he left it,  
he was but seven days in his passage.  
There was a report from the West Indies  
that Comte d'Estimot had sailed out of  
Martinico, was chased by Admiral Byron  
and that in returning the French had  
lost the command of eight guns & wounded

by Monnier Brongamville, and the Fantagone  
if such fact, so would being taken, they  
ran ~~on~~ shore. This account is said  
to be brought by the solebay from  
Javanah in Georgia, who had it  
from the Archon which arrived  
there from the Lucia. but as no mention  
is made of the date when the Archon  
left the Lucia, it is impossible to give  
full credit to the report.
