

Lord Sandwich  
Admiralty Sept. 25. 1779.

Fortescue 2786

3536

Admiralty Sept. 25. 1779

Lord Sandwich thinks the enclosed intelligence of such consequence as to deserve your Majesty's notice; as it looks as if Mons. D'Estaing was gone to Hispaniola instead of being come to Europe.

It is not improbable that the 13 ships arrived in Tiberon bay, may be the 13 ships which were mistaken for Mons. D'Estaings fleet in Port Royal Harbour at Martinico.
