My dear Sir William,

I have settled with
Rothschild for £125,000 and I have written
to Lord Minto - in the easiest way of
informing you what I have done, I enclose
you a copy of my Note to him. - The Money
will be ready on Saturday - I wish to
see that on the former occasion the Money
was paid in the presence of Lord Minto
and he seems to have a saying, if it can
be done, that the same course should
be pursued. - When I have the pleasure
to see you tomorrow Morning we see
further

Sir William Knight Bt
or

Further discuss these little matters
positively.

Believe me Ever

My dear Sir William

Your sincere & affectionate

Friend

Geo. Harrison

P.S. - I return you your letter of yesterday
as you desire.
