Order to ad. North

Queen's House Dec. 1. 1779.

M  
to M. H. A. M.

I very readily consent to ad. North's proposal, and shall in  
consequence confer this day the Treasurers of the  
Household's Staff on Lord Orslow and that of Comptroller  
on Sir Richard Worsley, the more so as it is a confirmation  
of ad. North's having decided to continue in his present  
Employment, which I cannot help thinking the most  
advisable resolution at this time
