To
The Countess of Effingham.

My dearest Effy. I have just read Mrs Vanittas
long Epistle. Pray ~~may~~ make Her as easy as You
can about Her behaviour for impropriety I saw
none. You may also say, if You think proper that
though I should be glad to see Her at Court, yet
if she thinks it to much for her Nerves it will
not be looked upon as disrespectful if she declines it.
every body is well. good accounts from Deaf.
I hope my lady is well also. Compliments
to Sr George Howard. Wien. what a fine
Day for the Country. *Adieu* Vous Perisse.
