My dear Mr Frederick. I should begin
this with Compliments of the Season
but my good wishes attend You so con-
stantly that all Seasons are alike.
I will therefore come to the point at
once & tell You that the King will
go to the play next Wednesday, where
wee hope You will carry Y^r sweet
chere mortel. that Wee may be Witness
to Her first reception at the English
Spectacle, of which I promise myself
une grande Fête. Wee are to have the
Duenna in which Mrs Billington &
Quin will I hope entertain the Duty
to whom I beg my best Love & am

my Dearest Frederick

Y^r very affectionate
Mother & Friend.
