My dearest Son. This is not intended for a Letter, but merely a Question about the Dutches of Brunswick's Birth Day, which is on Tuesday next. when I hope You will allow Charlotte to go to Blairheath, which may be done early in the Morning to go straight there, & to return the same Day without staying Dinner. a Yes, or No, by Adolphus will do for an answer. I am glad the Sun is Shining, a new Moon appears & I hope will secure good weather for both Wednesday & Thursday next, when I shall have the pleasure of assuring You by word of mouth how Sincerely I am
