

Ld. Stourmont

3732

St James's March 5. 1780
M. P. M.

I will endeavour to avail myself of
Your Majesty's just observations. and am
happy to find that the Project of a
Memorial appears to yr M^{ty} in the same
light in which it struck me.

I will prepare a L^t for yr James Harris.
I have some personal knowledge of that
Prince Galitzin, who is a man of low Intrigue
and held in no estimation by his Court.
