His Highness the Nabob Maulajaw Behauder

To Colonel Henry Augustus Montague Cosby

It gives me real satisfaction to perceive
by a Letter I have lately had the honor of receiving
from her Majesty the Queen of Great Britain
that thro' your Interposition and Exertion the Ring,
which I gave in charge to Sir Thomas Rumbold,
as a small Testimony of my Respect and esteem for
her most gracious Majesty, was ultimately presented
and delivered into her Royal Hands, and I regard
this mark of Attention in you as a test of friendship
and Attachment.

We have written to the Company
and to our Minister Mr Macpherson, to settle an
Arrangement

Arrangement between us and the Company, by which
our Creditors will be secured in a Regular Annual
Payment, of a certain proportion of their just Claims,
till the whole shall, according to an Agreement we
have lately made with the Bengal Government,
be finally Liquidated and as the Justice and Propriety
of this measure, must be obvious to every one, it will
we doubt not be adopted without hesitation, I shall be
Always happy to hear of your Health, and should
you Return to India to render you every Service
in my Power.

May all happiness attend you.

What can I say more?
