Mr Robinson knows that there
have been several objections
made to the form of the Warrants;
the enclosed will show more fully
where the point rests; by the Allegation
to Parliamentary Chaplains. The
Prince of Wales makes an unlimited
Number of Chap: as the King does
by Warrant out under his Signet
Manual. If this is not allowed he
can only be nominated by Signet Manual
as a Dev: & gives off all rights as
Prince of Wales. Look to the King's

Warrants, get a copy from the
Chancery Office & get Do. P. Sec
to produce an Appointment of
the late Prince of Wales. I would
attend & go to the Faculty Office
myself but have been confined
by a most obstinate cough attended
with Fever — I remain Dear Sir

Your Faithfull
