St James's 20th June Three P.M.

It is impossible to acquaint your
Majty with the detail of the different
arrangements made and Letters written
by Lord Melborough and me as occasions
arise. Nothing shall be omitted that we
can do. according to the last accts we
have received. The Passage to the Heeres
of part is free, but outlays are begun
in the West End of the Town. They
have actually attached Lord Schishoor
to the Protection of which a Party
of Guards is gone.
Lord Melborough does not trouble your
Majty. knowing that I have the Honour to
write.
