L^d. Sandwich's letter
enclosing Bustro

38300

Hertford Street Dec: 2^d 1788

Dear Sir

You will if you think proper communicate
the enclosed letter ⁱⁿ a certain place;
it will at least shew the zeal of our
friend B.; tho' I rather think that Mr H.
was originally well disposed.

Can I have an opportunity of seeing
you, or should I pay my duty to H.R.H.
before the meeting of the Parliament
on Thursday next?

The person alluded to
in Mr B.'s letter is
Mr Hunt member for Bodmyn

Yours most faithfully
Sandwich
