Questions proposed to
Dr Warren.

Q. 1 - You are desired to acquaint the Board, whether the State of His Majesty's Health is such as to render Him incapable of coming in person to His Parliament, or of attending to any kind of Publick Business?

Q. 2. What are the hopes you entertain of His Majesty's Recovery?

Q. 3. Can you form any Judgment or probable conjecture of the duration of His Majesty's Illness?

Q. 4 - Whether in that particular species of the Disorder that His Majesty has fallen into, It has been found from Experience that the greater Number of Persons so affected have been cured?

Q. 5 - Whether so far as Experience enables Dr. Warren to judge of His Majesty's Disorder, he thinks

thinks it more probable
that His Majesty will,
or will not recover, so
as to render him capable
of attending to publick
Business? -

Q- 6 - What degree of Experience
has Dr Warren had himself
or does he know others
to have had in this
particular species of
Disorder? -
