

H.R.H. to Ed. Chancelor

Dec. 14 1788

38333 - 4

My Lord,

I find Mr. Pitt has  
declared his Intention of proposing  
my being <sup>doing</sup> sole Paymaster under  
certain conditions which He  
is to lay before Parliament  
on Tuesday next. Mr. Pitt's <sup>whole</sup> conduct  
towards me ~~from~~ <sup>since</sup> the  
commencement of those unfortunate  
circumstances which have made  
any new Settlement necessary  
has been such as not to render  
it not surprising to me  
that He should think it decent

and proper to announce to Parliament  
 his intentions respecting my  
 future situation, without having  
 my name received the slightest  
 previous communication on  
 the subject. Thinking  
 however that I am entitled  
 to a different treatment, I have  
 to request of your Lordship  
 that you will require from  
 Mr. Pitt ~~in writing~~ the  
 outline of that Plan in which  
 he proposes to include my  
 name, and in which I must  
 on so many accounts be so  
 nearly & deeply interested. ~~It is~~  
~~My Desire~~ It is my Desire
