

Mr. Jenkinson
War Office June 8th 1740
9. o'clock P.M.

3840

I presume to send Your Majesty a
state of the Troops in London & its
Neighbourhood with an Account of
their Distribution as it stood at 7
o'clock. The Lists seem every where
to decline in consequence of the Improvements,
which the Troops have made.

I add an Account of the
Troops for the last week.

From your Majesty's
Dutiful Subject
