Dear Sir

I spoke to you some time since
desiring that you would request of his
Royal Highness to appoint my Brother
of Rev^d Edward Morshead a Fellow
of Exeter College in Oxford, one of
his Chaplains, & I must now earnestly
request you not to delay in doing it,
as it is a Matter of utmost consequence
at present Moment, of Particulars
of which I will mention to you when
we meet, tho' they are of rather less
delicate a Nature to you than a Letter.
My Brother is well known to J. J. J.
of Chancery, who will say my Plea is his
Favour to you, if any thing of

That kind is necessary, but I believe
His Royal Highness would grant my
request & I am confident on me alone
& I wish it to be done through you,
as that appears to me of only proper
charnel through which my Kings of
Business should approach of Justice.

Yours very dear Sir
your very faithful
& obedient Servant
J. Mordaunt
