St James's 55<sup>th</sup> J. Thru P.M.  
M. June 13. 1780

Lord Stormont when he got near the Queens  
House accidentally learnt that your Majesty  
was set down to dinner. We will therefore  
defer obeying your Majesty's commands till  
five o'clock. We understand it to be your  
Majesty's pleasure that we should not  
wait to drop.
