Lord Southampton with all Duty  
sends the inclosed from Lord Sandwich,

be master of every information Lord S. receives  
upon every occasion where Mr. M.'s interest  
is concerned. Lord S. need not say that there  
is some delicacy <sup>required</sup> lest Cap. Poyne should  
be hurt, by the unform'd reports of his  
M<sup>ty</sup> health

Lord S. sends at the same time the Army  
list from Mr. G. George -
