Sir

I obeyed your Royal Highness's commands  
& I flatter myself you will approve of the  
cloak which I had the honor of presenting  
to the Queen which Her Majesty received  
with the pleasure which she ever does tout  
a qui vient de sa Chère Maie -

I should be very glad to return your  
Royal Highness ten thousand Loves, & will  
be most happy when the hour arrives to  
show them in Person

Your Majesty's & Your Royal

Bishop's leave this Place on Monday Morning  
at six o'clock -

I have the Honor of being  
Sir  
with the utmost Respect & Attachment

Your Royal Highness's  
Dutiful

Humble Servant
