Dear Payne

I have not been able to find time to  
open the packet you sent me, having employed the  
morning in preparing the Heads of that Plan I ment<sup>d</sup>.  
to you which I have sent to H. K. H. — I am sure  
he will have the goodness to approve the Text that has  
dictated it & to forgive any impression, if there should  
be any, that he would not have had me use. It is  
written for no eye but his own & the intention will be its  
excuse.

I am, Sir, My D<sup>r</sup>. Payne

20<sup>th</sup> Jan'y

Yours most sincerely  
Loughborough
