

Ld. Stourmont

3883

St James's Thursday
Night. June 22. 1780

I found it impossible to get the
different Lists prepared & sent enough
to be submitted to your Majesty this
Evening. but they will be laid before
you early tomorrow. I hope that in
what relates to the archduke I have
not gone beyond the line of
compliment, which I understood your
Majesty had no objection.
