to  
The Earl of Moira

Aug<sup>r</sup>. 21. 1793.

Agreeably to Lord Moira's desire, the Gentlemen who waited on his Lordship yesterday, have the honor to enclose to him the substance of their discourse; and they regret that his Lordship's early departure obliges them to lay it before him in its present hasty and undigested form.

August 21<sup>th</sup> 1793

W<sup>th</sup> Hon<sup>ble</sup> the Earl of Moira &c &c
