

Ld. Sturmont

June 30 1780

3892

The Debate on the Tax bill was
not of a Nature to deserve your Majesty's
attention. Tho committed for Tuesday,
the General complexion of the House,
& the Idea that prevails of Lord
Norths present Disinclination to this
Bill will I dare say decide the
Fate of it in the Committee;

St James's June 30. 1780.
