I have the honour to send your Majesty herewith a copy of the Resolutions which were agreed to at the General Meeting of the Militia Officers on Saturday & which are referred to the Consideration of a Committee, that is to sit on Thursday. — I observed this from Mr Hill.

I add Copies of the three Clauses in the last Militia Law, to which they refer.

In conversation the three following Advantages were mentioned as proper to be given to Subalterns either

More Pay
or Half Pay when the
Term of Service was over

or

On Rank in the Army, if
They afterwards come into it accord-
ing to the Date of their Commission
in the Militia.

But nothing upon these
Points was settled.
