Nothing has been yet determined,  
from the objection there is to let the case go  
off too easily whilst at the same time there  
was a doubt whether the evidence would really  
bear out the harsher measure. To Ellenborough  
has undertaken to bring this point to an issue  
by making a Digest of the evidence with  
propositional deductions. I shall have the

Wish of explaining this fully to you, but in the  
been time remain with the best devotion
