

The Prince of Wales
to
Mr. Dundas,

Copy of a Letter to the
Hon. Mr. Dundas
March 4th 1795.

March 4th 1795

Sir,

The answer which Lord Strathmore
has had the goodness to bring to me from you
respecting a part of your Letter which natu-
rally I think me very strongly makes it
unnecessary for me to say any thing more
upon the subject, except to repeat my
request that my Letter ^{to you} may be laid by
you in Person before His Majesty.

George D.
